Scope of accreditation:

Trust service certification according to the requirements of the Regulation (EU) No. 910/2014 of the European Parliament and of the Council as amended to the extent as specified in the appendix to this Certificate.

This Certificate of Accreditation is a proof of accreditation issued on the basis of assessment of fulfillment of the accreditation criteria in accordance with

**ČSN EN ISO/IEC 17065:2013**

In its activities performed within the scope and for the period of validity of this Certificate, the abovementioned Accredited Body is entitled to refer to this Certificate, provided that the accreditation is not suspended and the Accredited Body meets the specified accreditation requirements in accordance with the relevant regulations applicable to the activity of an accredited conformity assessment body.

This Certificate of Accreditation replaces, to the full extent, Certificate No.: 60/2025 of 13/02/2025, and/or any administrative acts building upon it.

**The Certificate of Accreditation is valid until: 13/02/2030**

If no degree of freedom is specified, the Certification Body cannot apply a flexible approach to the scope of accreditation for conformity assessment procedure.

- <sup>2</sup> pursuant to Regulation (EU) No 910/2014 of the European Parliament and of the Council, as amended
- <sup>3</sup> The Conformity Assessment Body (Certification Body) is required to undergo re-accreditation for compliance with the requirements of DKP v5 by 17 May 2027 at the latest; see Article 9 of Commission Implementing Regulation (EU) 2025/2162. Until then, the Conformity Assessment Body may proceed in accordance with DKP v4 for qualified trust services established by the eIDAS Regulation in its original version (issuance of qualified certificates for electronic signatures/seals/website authentication, issuance of qualified electronic time stamps, qualified service for verifying the validity of qualified electronic signatures and/or qualified electronic seals, qualified service for the preservation of qualified electronic signatures and/or qualified electronic seals, qualified service for electronic delivery). Version ETSI EN 319 403-1 is governed by Commission Implementing Regulation (EU) 2025/2162 of 27 October 2025 laying down implementing rules for Regulation (EU) No 910/2014 of the European Parliament and of the Council, as regards the accreditation of Conformity Assessment Bodies carrying out assessments of qualified trust service providers and the qualified trust services they provide, the conformity assessment report and the conformity assessment regime, as amended.
- <sup>4</sup> A Conformity Assessment Body (Certification Body) accredited for this activity may also issue a conformity assessment report pursuant to Article 45f(3) of Regulation (EU) of the European Parliament and of the Council No. 910/2014, as amended, concerning the issuance of electronic attribute certificates issued by a public sector body responsible for an authentic source or on its behalf. Where a Conformity Assessment Body (Certification Body) issues a conformity assessment report pursuant to Article 45f(3) of Regulation (EU) No. 910/2014 of the European Parliament and of the Council, as amended, concerning the issuance of electronic attribute certificates issued by or on behalf of a public sector entity responsible for an authentic source, it shall assess compliance with the requirements set forth in paragraphs 1, 2, and 6 of Article 45f of Regulation No. 910/2014., as amended.
