Company Registration No. 49621815

for the Testing Laboratory No. **1676**
Testing Laboratory

Scope of accreditation:

Testing of thermal and climatic resistance of products, vibration and shock tests, corrosion tests in artificial atmospheres to the extent as specified in the appendix to this Certificate.

This Certificate of Accreditation is a proof of accreditation issued on the basis of assessment of fulfillment of the accreditation criteria in accordance with

ČSN EN ISO/IEC 17025:2018

In its activities performed within the scope and for the period of validity of this Certificate, the abovementioned Accredited Body is entitled to refer to this Certificate, provided that the accreditation is not suspended and the Accredited Body meets the specified accreditation requirements in accordance with the relevant regulations applicable to the activity of an accredited conformity assessment body.
