Company Registration No. 00014125

for the Certification Body No. **3075**
Product Certification Body

Scope of accreditation:

Certification of wood industry products, wood and wood-based products for structural and non-structural use, construction joinery and carpentry products to the extent as specified in the appendix to this Certificate.

This Certificate of Accreditation is a proof of accreditation issued on the basis of assessment of fulfillment of the accreditation criteria in accordance with

ČSN EN ISO/IEC 17065:2013

In its activities performed within the scope and for the period of validity of this Certificate, the abovementioned Accredited Body is entitled to refer to this Certificate, provided that the accreditation is not suspended and the Accredited Body meets the specified accreditation requirements in accordance with the relevant regulations applicable to the activity of an accredited conformity assessment body.

This Certificate of Accreditation replaces, to the full extent, Certificate No.: 453/2024 of 05/09/2024, and/or any administrative acts building upon it.

The Certificate of Accreditation is valid until: 09/03/2028

Prague: 27/11/2025
