Company Registration No. 45808945

for the Certification Body No. **3110**  
Certification Body SVV Praha for welding

Scope of accreditation:

Certification of welding process and metal structure building process to the extent as specified in the appendix to this Certificate.

This Certificate of Accreditation is a proof of accreditation issued on the basis of assessment of fulfillment of the accreditation criteria in accordance with

**ČSN EN ISO/IEC 17065:2013**

In its activities performed within the scope and for the period of validity of this Certificate, the abovementioned Accredited Body is entitled to refer to this Certificate, provided that the accreditation is not suspended and the Accredited Body meets the specified accreditation requirements in accordance with the relevant regulations applicable to the activity of an accredited conformity assessment body.

This Certificate of Accreditation replaces, to the full extent, Certificate No.: 388/2023 of 17/07/2023, and/or any administrative acts building upon it.

The Certificate of Accreditation is valid until: **18/12/2030**
