

**The Appendix is an integral part of
Certificate of Accreditation No. 277/2022 of 01/06/2022**

Accredited entity according to ČSN EN ISO/IEC 17065:2013:

Česká svářečská společnost ANB
Velflíkova 1428/4, Dejvice, 160 00 Praha 6

Welding process

Ordinal number	Process/service name	Certification scheme	Specification of standards (normative documents)
1	Welding process in the processing of metals, manufacture, repair, research and development of metallurgical products and in casting, metal structures, pressure vessels and fabricated metal products		
2	Welding process in the manufacture, installation, assembly, maintenance, repair, research and development of machines and equipment, maintenance of electric machines and equipment, radio and communication equipment, medical, precise, optical and time-measuring equipment		<p>ČSN EN ISO 3834-2:2022 ČSN EN ISO 3834-3:2022 ČSN EN ISO 3834-4:2022</p>
3	Welding process in the manufacture, installation, assembly, maintenance, repair, research and development of motor vehicles, trailers and semi-trailers, transport equipment including repair and maintenance, their parts and accessories		<p>EN ISO 3834-2:2021 EN ISO 3834-3:2021 EN ISO 3834-4:2021</p>
4	Welding process in the design, manufacture, assembly, maintenance, renovation and repair of rail vehicles and their parts		<p>ISO 3834-2:2021 ISO 3834-3:2021 ISO 3834-4:2021</p>
5	Welding process in the manufacture, installation, assembly, maintenance, repair, research and development of furniture and manufacturing industry products		
6	Welding process in the manufacture, installation, assembly, maintenance, repair, research and development in the field of electric energy, gas and heat energy, including distribution		
7	Welding process in the manufacture, installation, assembly, maintenance, repair, research and development in the field of construction works
